

Dear Second Grade Families,

Welcome to another school year!! I hope you all had a wonderful summer!! I look forward to getting to know and working with your family throughout this year.

I wanted to share some information with you about how our class works. Each night your child will bring home a planner and a folder. I ask that you check both for school information and homework assignments. I will be sending a lot of information home in the coming weeks. I also ask that you sign or initial the planner each night. Attached you will find a copy of my daily schedule as well as our class rules and discipline plan. The students and I created our class rules together. My planning is from 1:30 to 2:15 each day. If you any questions or concerns and need to contact me, this would be the best time. You can also reach me after school.
